SELLING YOUR USED TEXTBOOKS

Dear Student,

The library offers the opportunity for first and second year students, who have finished courses at our school, to sell their used textbooks.

The following are the terms and conditions on the basis of which the SIXTH FORM LIBRARY SERVICES offers this service of buying your 2nd hand books. The library will not normally buy out of date and older edition titles not included in the latest Student's Textbooks list, which can be consulted online by choosing it from the webpage: <http://smarsf.skola.edu.mt/applicationForms.htm>.

Books that are bought by our school bookshop are reimbursed according to the following criteria:

	Condition of Book	Percentage of Retail Price
1	Like New	40%
2	Good – in good condition with markings (annotated)	25%
3	Acceptable	10%

While hoping that you have enjoyed a wonderful and enriching experience with us, you can come and sell your textbooks at your earliest convenience or after you receive the relevant exam results.

Kind regards,

George Tabone
